

Cable Dispenser Stand

Model CDS-120

The CDS-120 is designed to hold three spools of cable which can be dispensed and measured for length with the built-in ruler in one easy motion.

Of all-steel, light grey powdercoated construction, the CDS-120 comes fully assembled, it's ready to go straight out of the box.

Supplied with a blank header card, you can apply your own signage or other required point-of-sale information.
